Article 23. Procedure for the Segregated Clients registration

- 23.1. To register a Segregated Client a Clearing Member shall:

- provide to the Clearing House the Request for the Segregated Client registration, the form of which is determined in accordance with paragraph 3.16 of the Common part of the Clearing Rules, which also specifies identification data of a Segregated Client that is analogous to the identification data specified in accordance with the requirements that are provided by the Exchange when registering clients of Trading Members, corresponding to

the requirements of regulatory acts. Together with the Request for the Segregated Client registration, the Clearing Member is obliged to provide the Clearing House with the consent of the Segregated Client - an individual to the processing of personal data in the form posted on the Clearing House's website (in accordance with Federal Law No. 152-FZ of July 27, 2006 "On Personal Data").

A Clearing Member is responsible for the reliability and relevance of the information specified in the Request for the Segregated Client provided in accordance with this paragraph of the Common part of the Clearing Rules (hereinafter referred to as the Registration Data of the Segregated Client). In the event of a change of registration data of the Separate Client, the Clearing Member is obliged to provide the Clearing House with up-to-date information by sending a Request to change the Registration Data of the Segregated Client no later than 10 working days from the date when the Clearing Member learned or should have learned about such a change in the information about the Registration Data of the Segregated Client..

Submission of a Request for the Segregated Client registration to the Clearing House shall constitute the Clearing Member's consent to the terms of registration and updating of the Segregated Client Registration Data specified in this article of the Common part of the Clearing Rules, as well as the Clearing Member's assurance, in accordance with Article 431.2 of the Civil Code of the Russian Federation, to the Clearing House that the information provided by the Clearing Member is reliable and current for each date during the period of validity of the Segregated Client Registration Data, and that all necessary consents, including those in accordance with the legislation of the Russian Federation, to the processing of data, including those specified in paragraph 23.5 of the Common part of the Clearing Rules, have been received by the Clearing Member from the Segregated Client.

In cases when the Clearing House identifies beneficial owner according to requirements of the legislation on combating money laundering and terrorism financing in order to register Segregated Client, Clearing Member must provide Beneficial owner form in respect of the Segregated Client to be registered. In case if the abovementioned form is not provided, Clearing House does not register such Segregated Client.

- 23.1.1. In the Request for the registration of a Segregated Client a Clearing Member is entitled to specify the necessity of a Segregated Client cash funds protection. The specified attribute is assigned for the identification data specified in the Request for Registration of the Segregated Client.

In this case:

- 1) as the details of the Account for Collateral Return for a Settlement Account of the 1st level used to record funds held as collateral by the Clearing Member and intended to fulfill obligations under Trades concluded in the interests and (or) at the expense of the Segregated Client, other obligations specified in the Clearing Rules, as well as to ensure the fulfillment of the specified obligations, by a Clearing Member may be indicated details only of an account opened in the name of a Segregated Client, and/or opened for recording funds held in trust by a Segregated Client (if the opening of such a bank account is provided for by the legislation of the Russian Federation);
- 2) a Clearing Member loses the right to direct to the Clearing House Requests for transfer of collateral in cash funds / instructions to transfer cash funds from a Settlement Account of the 1st level specified in this paragraph of the Common part of the Clearing Rules, taking into account the identification data specified in the Request for the Segregated Client registration, to Settlement Accounts registered to

persons whose identification data does not correspond to the Registration Data of the Segregated Client..

- 23.2. The Clearing House has the right to refuse the Clearing Member to execute the Request for the Segregated Client registration if the representative of the Member who signed the Request for the Segregated Client registration coincides with the person specified in the Request for the Segregated Client registration as the Segregated Client.
- 23.3. After the execution of the Request for the Segregated Client registration, the Clearing Member sends the Clearing House a request to establish the compliance of the client Settlement Account of the 1st level or the Trust Settlement Account of the 1st level (client's Settlement Accounts of the 1st level / Trust Settlement Accounts of the 1st level) with the Registration Data of the Segregated Client (hereinafter referred to as the Settlement Account of the Segregated Client).

The Settlement Account of the Segregated Client is used to record funds held as collateral by the Clearing Member and intended to fulfill obligations under Trades executed in the interests and/or at the expense of the Segregated Client, other obligations specified in the Clearing Rules, as well as to ensure the fulfillment of the specified obligations.

The Request specified in this paragraph of the Common part of the Clearing Rules, with the indication of the Settlement Account, which is the part of the Trade Account for the execution of deposit agreements, is not executed by the Clearing House.

- 23.4. In respect of the same person, including the trustee of pension funds, assets constituting mutual investment funds, as well as trust management of other property, can be sent an unlimited number of Requests for the Segregated Client registration with different identification data specified in paragraph 23.1 of the Common part of the Clearing Rules. A person registered as a Segregated Client on the basis of two or more Requests for the Segregated Client registration shall be regarded by the Clearing House as a separate Segregated Client for each instance of execution of Requests for the Segregated Client registration. Inconsistency between the information on the registration data of a legal entity/information on the identity document of an individual and/or information identifying an individual specified in the Request for the Segregated Client registration sent in relation to the same person for the second or more times, and the specified data available to the Clearing House, may be grounds for refusing to register the person as a Segregated Client on the basis of such Request for the Segregated Client registration due to the incorrectness of the specified data.
- 23.5. If the same person is registered as a Segregated Client by several Clearing Participants, and the Clearing Centre receives information from one of the Clearing Members who registered such person as a Segregated Client about a change in the information about the Segregated specified in paragraph 23.4 of the Common part of the Clearing Rules, the Clearing House sends a request to the other Clearing Members for consent to change the information about the Segregated Client.
- 23.6. A Clearing Member is not entitled to use a Settlement Account of the 1st level, which is the Settlement Account of a Segregated Client to conclude and execute trades using funds of other clients of a Clearing Member, including Segregated Clients with other Segregated Client Registration Data or using its own funds.
- 23.7. A Clearing Member is entitled to annul the compliance of the Settlement Account of the 1st level with the Registration Data of a Segregated Client or to indicate the necessity to protect cash funds in relation to the Registration Data of the Segregated Client under the

condition that there is no Collateral, recorded under the Settlement Account, registered in the name of such Segregated Client.

- 23.8. A Clearing Member is entitled to annul the registration of a Segregated Client, provided for annulment of the compliance with the Segregated Client Registration Data of all Settlement Accounts of the 1st level that are Settlement Accounts of a Segregated Client, or if such compliance with the Segregated Client Registration Data has not previously been established for any client Settlement Account/Trust Settlement Account.
- 23.9. The Clearing House notifies the Segregated Client on the registration, annulment of registration, establishment of compliance of the Settlement Accounts of the 1st level with the Segregated Client Registration Data, annulment of compliance of the Settlement Accounts of the 1st level with the Segregated Client Registration Data, change of the Segregated Client Registration Data, indication by a Clearing Member of the necessity to protect cash funds of the Segregated Client, indication by a Clearing Member that there is no necessity to protect cash funds of the Segregated Client in the electronic form via the e-mail address, indicated by a Clearing Member in the Request for the Segregated Client registration.

Article 25. Settlement Account Single Limit and risk parameters

- 25.1. Settlement Account Single Limit is calculated by the Clearing House when the amount of Collateral of a Clearing Member is changed, when a Trading Member submits orders to execute trades, party to which will be a Clearing Member, when Clearing Member submits Offers, when registering order, which is valid opposite one to the Quotation of the Trading Member according to the Securities Market, Deposit Market and Credit Market Trading Rules, submitted

by the Trading Member with the aim to execute a Trade, party to which will be a Clearing Member (hereinafter referred to as the order, which is valid opposite one to the Quotation of the Trading Member), when trades are settled or obligations arising from Trades, party to which is a Clearing Member, are fulfilled / terminated, when risk parameters are changed, when an Asset Profile is transferred.

- 25.2. Settlement Account Single Limit is used for the prior control of the sufficiency of Collateral of a Clearing Member, when submitting orders to execute trades, party to which will be a Clearing Member, when Clearing Member submits Offers, when registering order, which is valid opposite one to the Quotation of the Trading Member, in order to check the possibility to fulfil / terminate obligations arising from Trades, party to which is a Clearing Member, to return of Collateral to a Clearing Member and also to execute other operations stipulated by the Clearing Rules, through Unified Pool Settlement Accounts and also through Settlement Accounts opened for Markets where the control of the sufficiency of Collateral is performed using Unified Pool Settlement Account. This check is performed on the basis of the analysis of changes of the value of a Settlement Account Single Limit before and after the execution of an operation.
- 25.2.1. If in accordance with the Clearing Rules in respect of the value of the Settlement Account Single Limit the Imposed Limitation is set, then the Collateral sufficiency check in the defined cases is executed taking into account the Imposed Limitation. Meanwhile if by the moment when the Imposed Limitation is set, the Settlement Account Single Limit is less than the Imposed Limitation then till the moment when the Settlement Account Single Limit exceeds the Imposed Limitation, the Settlement Account Single Limit cannot become less than the Settlement Account Single Limit, recorded till the Imposed Limitation was set.

Article 41. Procedure for the fulfillment of obligations and claims in cash / precious metals of a Clearing Member and the Clearing House

- 41.1. At the time, set out in the Time Specification or in the time specification, which is the supplement to the relevant special part of the Clearing Rules, the Clearing House calculates Total Net Obligations and/or Total Net Claims in cash / precious metals of each Clearing Member under each Settlement Account in respect of obligations, included into the relevant clearing pool in the order, stipulated by the Article 42 of the Common part of the Clearing Rules or by the relevant special part of the Clearing Rules.
- 41.2. A Clearing Member shall fulfill its Total Net Obligations in cash / precious metals, defined in the relevant clearing pool, at the time, defined by the Time Specification or by the time specification, which is the supplement to the relevant special part of the Clearing Rules.

- 41.3. In order to fulfill (terminate) Total Net Obligations of a Clearing Member in cash funds / precious metals, recorded under an Asset Pool Settlement Account, Collateral of a Clearing Member in the relevant cash funds / precious metals, recorded under the same Settlement Account, is used.

In order to fulfill Total Net Obligations of a Clearing Member in cash funds / precious metals, recorded under an Asset Pool Settlement Account, assets, posted into the asset pool in the order defined in the Clearing Rules on the Securities Market, Deposit Market and Credit Market, recorded under the same Asset Pool Settlement Account, are used.

Collateral / assets, recorded under the other Settlement Accounts of the same Clearing Member, are not used, except for cases specially defined in the Clearing Rules.

- 41.3.1. The date and the time when a Clearing Member transfers cash funds to the relevant accounts of the Clearing House are the date and the time when the relevant accounts of the Clearing House, registered in Settlement Banks and in Settlement Organizations, are credited with cash funds.
- 41.3.2. The date and the time when a Clearing Member posts precious metals as Collateral are the date and time of crediting precious metals to the relevant trading bank account in precious metals of the Clearing Member.
- 41.3.3. Cash funds transfer after the defined time period with its credit earlier than the date of the transfer (back value) is not allowed.

- 41.4. In case of the fulfillment of the Total Net Obligation in cash with the breach of time, defined in the Time Specification or in the time specification, which is the supplement to the relevant special part of the Clearing Rules, and/or if there is non-fulfilled Total Net Obligation in cash after the moment when the Clearing House performed actions in accordance with the Article 44 of the Common part of the Clearing Rules or in accordance with the Clearing Rules on the Commodities Market, and/or if there is a Debt of the Clearing Member by the moment of time, determined in the time specification which is the supplement to the Clearing Rules on the Derivatives Market, a Clearing Member of any category must pay the penalty in favor of the Clearing House for undue fulfillment of obligations in cash, the amount of which is calculated according to the formula:

Penalty = $D \times C \times R \times n / 365$, where

Penalty is the sum of the penalty for undue fulfillment of obligations in cash, in Russian rubles, ,

D is the sum of the Total Net Obligation of a Clearing Member in cash in the relevant currency, fulfilled with the breach of time, defined in the Time Specification, or in the time specification, which is the supplement to the relevant special part of the Clearing Rules or the sum of Total Net Obligation in cash in the relevant currency, not fulfilled after actions, taken by the Clearing House, in accordance with the Article 44 of the Common part of the Clearing Rules or in the Clearing Rules on the Commodities Market, or the sum of the Debt in the relevant currency,

C is the exchange rate of the foreign currency in respect of Russian rubles, set out by the Bank of Russia on the date of the penalty calculation;

R is the rate, defined by the Clearing House in accordance with the Risk parameters on the FX Market and Precious metals Market Calculation Methodology,

n is a number of calendar days between the date of the penalty calculation and the following Settlement Day for the relevant currency.

The sum of the penalty, calculated in accordance with this paragraph, is exclusive of VAT.

The obligation to pay out the penalty for undue fulfillment of obligations in cash, calculated in accordance with this paragraph, recorded under the same Settlement Account of the Clearing Member, under which Total Net Obligation of the Clearing Member in cash, fulfilled in an unduly manner / Debt is recorded, however in case if the Clearing Member provides the Request for choosing main Settlement Account for the fees withdrawal in accordance with the paragraph 55.10 of the Common part of the Clearing Rules, where the feature, which represents the fact that from the main Settlement Account for the fees withdrawal, is indicated in such request, it is also required to levy the penalty for unduly fulfillment of obligations in cash – from the main Settlement Account for the fees withdrawal, indicated in such request.

The abovementioned obligation to pay out the penalty shall be fulfilled on the Settlement Day, following the day of emergence of grounds for penalty charge, defined in this paragraph of the Common Part of the Clearing Rules.

Penalty for undue fulfillment of obligations in cash, stipulated by this paragraph of the Common Part of the Clearing Rules, is not levied upon the Clearing Member, admission to clearing service of which is suspended on the basis of the information, received from the Exchange, on suspension or termination of the Clearing Member's admission to trading due to annulment of the license on professional activity on the securities market.

- 41.5. The Clearing House fulfills Total Net Claims of a Clearing Member, recorded under a Settlement Account and/or under clearing registers corresponding to a Settlement Account, defined in the relevant clearing pool under the condition of fulfillment by a Clearing Member of its Total Net Obligations, recorded under such Settlement Account and/or under clearing registers corresponding to such Settlement Account, defined in the same clearing pool, and/or the availability of Collateral of a Clearing Member, recorded under the same Settlement Account, which is sufficient for termination of such Total Net Obligations.
- 41.6. Within the period of time, set out in the Time Specification or in the time specification, which is the supplement to the relevant special part of the Clearing Rules, the Clearing House fulfills / terminates Total Net Claims / Total Net Obligations in cash / precious metals.

For the purpose of fulfillment, Total Net Obligation / Total Net Claim in precious metals in troy ounces are converted into grams according to the order, similar to the order, set out in the regulation of the Bank of Russia, which sets the rules for recording and keeping bullions with the credit institutions in the Russian Federation when conducting operations with precious metals.

In case if there is Collateral of the Clearing Member, which is required for the fulfillment of the Total Net Obligation, the Clearing House is entitled to fulfill / terminate such Total Net Obligation of the Clearing Member and corresponding to it Total Net Claim / corresponding to it Total Net Claims of the Clearing Member before the period of time, determined in the Time Specification or by the time specification, which is the supplement to the relevant special part of the Clearing Rules.

- 41.7. The Clearing House nets a Total Net Obligation of a Clearing Member in the relevant currency, recorded under a Settlement Account, against a claim of a Clearing Member to return Collateral in such currency, recorded under the same Settlement Account.

Total Net Obligation of a Clearing Member and Claim of a Clearing Member to return his Collateral in the relevant currency terminates in an amount equal to the minimum amount

out of these two values: (1) an amount of such Total Net Obligation and (2) an amount of Collateral in such currency.

With regard to the abovementioned, a Total Net Obligation of a Clearing Member and Collateral of a Clearing Member in the relevant currency, recorded under a Settlement Account of a Clearing Member, lessens for the sum of Total Net Obligation / claim to return Collateral in such currency, which has been terminated.

- 41.8. A Total Net Obligation of a Clearing Member in the relevant precious metal, recorded under a Settlement Account of a Clearing Member, is fulfilled through the use of Collateral in such precious metal, recorded under the same Settlement Account of a Clearing Member.

A Total Net Obligation of a Clearing Member in the relevant precious metal is fulfilled in an amount equal to the minimum amount out of these two values: (1) an amount of such Total Net Obligation and (2) an amount of Collateral in such precious metal.

The Clearing House debits the relevant precious metal in an amount equal to the fulfilled Total Net Obligation in such precious metal, from a trading bank account for such precious metal, corresponding to a Settlement Account of a Clearing Member, as fulfillment of a Total Net Obligation in such precious metal.

With the regard to the abovementioned, an amount of Collateral of a Clearing Member in the relevant precious metal, recorded under a Settlement Account of a Clearing Member, lessens for an amount of the Total Net Obligation in precious metal, which has been fulfilled.

- 41.9. A Total Net Obligation of a Clearing Member in cash in the relevant currency / in precious metals to fulfil which there is no sufficient cash funds / precious metals, is settled in the order, defined in the Article 44 of the Common part of the Clearing Rules, within the period of time, set out in the Time Specification or by the time specification, which is the supplement to the relevant special part of the Clearing Rules.

Special order for the settlement of non-fulfilled Total Net Obligations in cash funds can be stipulated by a special part of the Clearing Rules.

- 41.10. A Total Net Claim of a Clearing Member in the relevant currency, recorded under a Settlement Account of a Clearing Member, is terminated by the emergence of an obligation of the Clearing House to return to a Clearing Member Collateral in such currency in an amount equal to a Total Net Claim of a Clearing Member in such currency, recorded under the same Settlement Account of a Clearing Member.

With the regard to the abovementioned, an amount of Collateral in the relevant currency, recorded under a Settlement Account of a Clearing Member, and volume of the obligation of the Clearing House to return to the Clearing Member Collateral in such currency increase for an amount of Total Net Obligation in such currency, which has been terminated.

- 41.11. In order to fulfill a Total Net Claim of a Clearing Member in the relevant precious metal, recorded under a Settlement Account, the Clearing House credits the relevant precious metal in an amount, which is equal to the volume of a Total Net Claim in such precious metal, to a trading bank account, corresponding to a Settlement Account of a Clearing Member.

With the regard to the abovementioned, Collateral of a Clearing Member in the relevant precious metal, recorded under a Settlement Account of a Clearing Member, increases for the sum of the Total Net Claim in such precious metal, which has been fulfilled.

- 41.12. In case if there is a difference between information on Collateral in precious metals, recorded under clearing registers corresponding to trading bank accounts with the feature Loco London in troy ounces and information on Collateral in precious metals, recorded under such trading bank accounts in grams, due to mathematical roundoff when converting Total Net Obligation / Total Net Claim in precious metals from troy ounces to grams, performed in order to fulfill the abovementioned Total Net Obligation / Total Net Claim, the Clearing House debits or credits trading bank account with the precious metal in grams with the aim to equalize the difference.
- 41.13. The Clearing House also records information on termination of obligations in cash / precious metals under Trades with arrived Settlement Date, executed with the reference to a Trade Account of the 2nd level, indicated in an order to conclude such Trade without taking into account check of the Collateral sufficiency, information on which is recorded under a Settlement Account of the 2nd level.

The Clearing House also records information on termination of obligations in cash / precious metal under Trades with arrived Settlement Date, executed with the reference to a Trade Account of the 3rd level under a Settlement Account of the 3rd which is included into the structure of a Trade Account of the 3rd level indicated in an order to conclude such Trade and under a Settlement Account of the 2nd level corresponding to a Trade Account of the 3rd level indicated in an order to conclude such Trade without taking into account check of the Collateral sufficiency, information on which is recorded under a Settlement Account of the 2nd and/or of the 3rd level.

With the regard to the abovementioned, an amount of Collateral in the relevant currency / relevant precious metal, information on which is recorded under a Settlement Account of the 2nd level / 3rd level lessens / increases for the sum equal to the Total Net Obligation / Total Net Claim in such foreign currency / such precious metal with arrived Settlement Date, information on which is recorded under the relevant Settlement Account of the 2nd level / 3rd level.

with the paragraph 59.16 of the Common part of the Clearing Rules, obligations under Trades without the central counterparty are terminated by the emergence of net obligations / net claims of a Clearing Member in respect of others Clearing Members – its counterparties to the defined Trades, calculated in accordance with the paragraph 59.17 of the Common part of the Clearing Rules, except for the case stipulated by the paragraph 59.15 of the Common part of the Clearing Rules.

- 59.15. When settling obligations in case of termination of the admission to the clearing service of a Clearing Member, which is also a clearing member of the NCI JSC NSD according to the grounds defined in the paragraphs 59.1, 59.4, 59.6 of the Common part of the Clearing Rules and in case if such Clearing Member has non-terminated obligations under Trades, executed with the Bank of Russia, which are cleared both the Clearing House and the NCI JSC NSD and if NCI JSC NSD makes the decision on termination of the admission to the clearing service and clearing service of a Clearing Member – Credit Institution, on termination of obligations under Trades, party to which is a Clearing Member, and on calculation of net obligations / net claims of a Clearing Member in case of appointment of the interim administration to manage a Clearing Member – Credit Institution within the measures to prevent bankruptcy of a credit institution, the Clearing House in accordance with the paragraph 59.17 of the Common part of the Clearing Rules calculates preliminary net obligations / net claims of a Clearing Member – Credit Institution in respect of the counterparty – the Bank of Russia, and not later than 3 (three) workdays from the date of revocation of the banking license of a Clearing Member – Credit Institution / since of the date when the moratorium on fulfillment of Clearing Member – Credit Institution creditors' claims has been put / since of the date when the Clearing House makes the decision in accordance with the paragraph 59.6 of the Common part of the Clearing Rules transfers information on calculated preliminary net obligation / net claim of the NCI JSC NSD to set net obligations / net claims of a Clearing Member – Credit Institution and of the Bank of Russia. The defined order is applied for obligations which arise from agreements concluded under terms of one general agreement.
- 59.16. The Clearing House calculates the sum of net obligations / net claims of a Clearing Member in Russian rubles under Trades with the central counterparty in the order defined in the sub-paragraphs 59.16.1-59.16.14 of the Common part of the Clearing Rules, separately under each client Settlement Account, under each Trust Settlement Account and under all proprietary Settlement Accounts.

For the purposes of calculation by the Clearing House of the sum of net obligations / net claims of the Clearing Member in Russian rubles for Trades with the central counterparty in accordance with this article, the date of execution of the second part of the REPO with an open date Trade, to which the Clearing Member is a party, is the Settlement day following the date of start of the liquidation netting procedure.

- 59.16.1. The Clearing House for each asset pool and for the Asset Pool Settlement Account(s), corresponding to the Settlement Account(s) of the Clearing Member, under which the sum of net obligations / net claims of the Clearing Member is calculated:
- 1) calculates the interim value of a net obligation / net claim of a Clearing Member in general collateral certificates, which is equal to the sum, taking into account the sign:
 - Net obligations / Net claims of a Clearing Member in general collateral certificates under REPO trades with the central counterparty in general collateral certificates, recorded at the end of the day of termination of obligations under

Trades under Trade Accounts T+, into the structure of which the Settlement Account(s) is included, under all Settlement Dates:

- claims of a Clearing Member to the Clearing House to receive general collateral certificates in the amount that is equal to the amount received by the Clearing House from the Bank of Russia when redeeming general collateral certificates from the Bank of Russia in accordance with the Clearing Rules on the Securities Market, Deposit Market and Credit Market recorded at the end of the day of termination of obligations under Trades under Trade Accounts T+, into the structure of which the Settlement Account(s) is included, under all Settlement Dates;

If the value calculated in accordance with this paragraph is positive then for a Clearing Member the interim value of a net claim in general collateral certificates is recorded, if it is negative then the interim value of a net obligation in general collateral certificates is recorded.

The Clearing House adds (taking into account the sign) to the interim value of a net obligation of a Clearing member in general collateral certificates the amount of general collateral certificates recorded at the end of the day of termination of obligations under Trades under Trade Accounts T+, into the structure of which the Settlement Account(s) is included, but not more than the absolute value defined in the interim value of a net obligation of a Clearing Member in general collateral certificates. Meanwhile the Clearing House forms and forwards to the Settlement Depository the instruction to transfer general collateral certificates in the defined amount from the Securities Sub-account T+, which is a part of the defined Trade Account T+, to the treasury depo account of the Clearing House;

- 2) calculates the interim value of a net obligation / net claim of a Clearing Member in Russian rubles under REPO trades in general collateral certificates, which is equal to the sum, taking into account the sign:
 - Net Obligations / Net Claims of a Clearing Member in cash funds under REPO trades with the central counterparty in general collateral certificates recorded at the end of the day of termination of obligations under Trades under the Settlement Account(s) under all Settlement Dates. Meanwhile the value calculated under REPO trades with settlement in foreign currency is converted into Russian rubles according to the Trade exchange rate / average exchange rate for Trades in foreign currency executed by the Clearing House in accordance with the sub-paragraph 59.16.10 of the Common part of the Clearing Rules;
 - obligations of a Clearing Member to pay to the Clearing House cash funds in the sum equal to the nominal value of general collateral certificates in respect of which a Clearing Member did not fulfill obligations to the Bank of Russia under the second part of the repo, recorded at the end of the day of termination of obligations under Trades under the Settlement Account(s) under all Settlement Dates.

If the value calculated in accordance with this paragraph is positive then for a Clearing Member the interim value of a net claim in Russian rubles under REPO trades in general collateral certificates is recorded, if it is negative then the interim value of a net obligation in Russian rubles under REPO trades in general collateral certificates is recorded.

- 3) if a Clearing Member is a Pool Member, the Clearing House sells securities, precious metals and foreign currency, recorded under the Asset Pool Settlement Account(s)

of a Pool Member, on the relevant markets in the amount / sum, which corresponds to the positive difference between the absolute value of the interim value of a net obligation of a Clearing Member in Russian rubles calculated in accordance with the paragraph 2) of the sub-paragraph 59.16.1 of the Common part of the Clearing Rules, and the sum of cash funds in Russian rubles recorded at the end of the day of termination of obligations under Trades under the Asset Pool Settlement Account(s).

Selection of assets which is to be sold from an asset pool is performed by the Clearing House.

If the sum of cash funds in Russian rubles, recorded at the end of the day of termination of obligations under Trades under the Asset Pool Settlement Account(s), and also received after sold of securities, precious metals and foreign currency, recorded under the Asset Pool Settlement Account(s) of a Clearing Member, is more than the absolute value of the defined interim value of a net obligation of a Clearing Member in Russian rubles, the Clearing House records cash funds in the sum of such exceeding under a Settlement Account(s), which is a part of a Trade Account T+ that corresponds to an Asset Pool Trade Account, and the positive difference between the left sum of cash funds in Russian rubles and the nominal value of general collateral certificates in Russian rubles in the interim value of a net claim of a Clearing Member in general collateral certificate is added (taking into account the sign) to the interim value of a net obligation of a Clearing Member in Russian rubles.

If for a Clearing Member, which is a Pool Member, is recorded the interim value of a net claim in general collateral certificates, calculated in accordance with the paragraph 1) of the sub-paragraph 59.16.1 of the Common part of the Clearing Rules, the sum of cash funds in Russian rubles, which is equal to the nominal value of a net claim of a Clearing Member in general collateral certificates, is included by the Clearing House into the relevant asset pool.

If the sum of cash funds in Russian rubles recorded at the end of the day of termination of obligations under Trades under the Asset Pool Settlement Account(s), and also received from the sold of securities, precious metals and foreign currency, recorded under the Asset Pool Settlement Account(s) of a Pool Member is less than the nominal value of general collateral certificates in the defined interim value of a net claim of a Clearing Member in general collateral certificates, unfulfilled obligation of a Pool Member to post assets to an asset pool is recorded when further calculation of the relevant net obligation / net claim of a Pool Member in accordance with the sub-paragraph 59.16.3 of the Common part of the Clearing Rules is made;

- 4) the Clearing House sums (taking into account the sign) the interim value on a net obligation / net claim of a Clearing Member in Russian rubles, calculated after the actions defined in the paragraphs 2)-3) of the sub-paragraph 59.16.1 of the Common part of the Clearing Rules, and the product of 1 (one) Russian ruble, which is the nominal value of one general collateral certificate, and the interim value of a net obligation / net claim of a Clearing Member in general collateral certificates, defined after the actions defined in the paragraph 1) of the sub-paragraph 59.16.1 of the Common part of the Clearing Rules.

Interim value of the net obligation / net claim of the Clearing Member in Russian rubles under REPOs in general collateral certificates, calculated according to this paragraph, is taken into account in further calculation of the net obligation / net claim of the Clearing Member in accordance with the sub-paragraph 59.16.3 of the Common part of the Clearing Rules.

59.16.2. The Clearing House via the Clearing System forms and executes instructions to transfer securities / precious metals / cash funds from an Asset Pool Trade Account of a Clearing Member, left after the actions defined in the sub-paragraph 59.16.1 of the Common part of the Clearing Rules, to the relevant Trade Account T+.

General collateral certificates recorded under a Trade Account T+ are redeemed in an amount, which corresponds to the amount / sum of the asset, handed out from an asset pool in accordance with this sub-paragraph and defined in accordance with the Clearing Rules on the Securities Market, Deposit Market and Credit Market.

Meanwhile all obligations of a Clearing Member, which is a Pool Member, from an asset pool agreement are terminated, the Clearing House stops recording obligations to return to a Pool Member assets from an asset pool.

59.16.3. The Clearing House calculates the following interim values:

- the interim value of the net obligation / net claim of the Clearing Member in securities (except for general collateral certificates), which is equal to the sum of values (taking into account the sign) of Net Obligations / Net Claims of the Clearing Member in the security (except for general collateral certificates) under Trades with the central counterparty (except for REPO trades in general collateral certificates), recorded by the end of the day of termination of obligations under Trades, under all Trade Accounts T+ / Asset Pool Trade Accounts of the Clearing Member (except for the Trade Accounts, into the structure of which Settlement Account, opened for the Segregated Client, is included) through all Settlement Dates;
- the interim value of the net obligation / net claim of the Clearing Member in precious metals / cash funds in foreign currency, which is equal to the sum of values (taking into account the sign) of Net Obligations / Net Claims of the Clearing Member in precious metals / cash funds in foreign currency under Trades with the central counterparty (except for REPO trades in general collateral certificates), recorded by the end of the day of termination of obligations under Trades, under all Settlement Accounts / Asset Pool Settlement Accounts, through all Settlement Dates;
- the interim value of the net obligation / net claim of the Clearing Member in commodities, which is equal to the sum of values (taking into account the sign) of Net Obligations / Net Claims of the Clearing Member in commodities under Trades with the central counterparty, recorded by the end of the day of termination of obligations under Trades, under all Trade Accounts (except for Trade Accounts into the structure of which Settlement Account, opened for the Segregated Client, is included) through all Settlement Dates.

59.16.4. If the interim value, calculated in accordance with the sub-paragraph 59.16.3 of the Common part of the Clearing Rules, through all Trade Accounts T+ / Asset Pool Trade Accounts of the Clearing Member / through all Settlement Accounts / Asset Pool Settlement Accounts of the Clearing Member through all Settlement Dates is positive then under the Clearing Member the interim value of the net claim in relevant securities (except for general collateral certificates) / precious metals / cash funds / commodities is recorded, if it is negative then the interim value of net obligations in relevant securities (except for general collateral certificates) / precious metals / cash funds in foreign currency / commodities is recorded.

59.16.5. If the Clearing Member has the interim value of net obligation in security (except for general collateral certificates) / precious metals / cash funds / commodities recorded, Clearing House calculates the following interim values:

- the interim value of the net obligation / net claim of the Clearing Member in the security, in which the interim value of the net obligation (except for general collateral certificates) is recorded, calculated according to the sub-paragraph 59.16.3 of the Common part of the Clearing Rules, equal to the sum of values (taking into account the sign) of Net Obligations / Net Claims of the Clearing Member in the security (except for general collateral certificates) under Trades with the central counterparty (except for REPO trades in general collateral certificates), recorded by the end of the day of termination of obligations under Trades, separately under each Trade Account T+, into the structure of which client Settlement Account or Trust Settlement Account is included / Asset Pool Trade Account, into the structure of which client Asset Pool Settlement Account or Trust Settlement Account is included, and through all Trade Accounts T+, into the structure of which proprietary Settlement Account is included / Asset Pool Trade Accounts, into the structure of which proprietary Asset Pool Settlement Account of the Clearing Member is included (except for Trade Accounts, into the structure of which Settlement Account, opened for the Segregated Client, is included) through all Settlement Dates;
- the interim value of the net obligation / net claim of the Clearing Member in precious metals / cash funds in foreign currency, in which the interim value of the net obligation, calculated according to the sub-paragraph 59.16.3 of the Common part of the Clearing Rules, is recorded, equal to the sum of values (taking into account the sign) of Net Obligations / Net Claims of the Clearing Member in precious metals / cash funds in foreign currency under Trades with the central counterparty (except for REPO trades in general collateral certificates), recorded by the end of the day of termination of obligations under Trades, separately under each client Settlement Account or Trust Settlement Account / client Asset Pool Settlement Account or Trust Asset Pool Settlement Account, and through all proprietary Settlement Accounts (except for Settlement Accounts, opened for the Segregated Client), through all Settlement Dates;
- the interim value of the net obligation / net claim of the Clearing Member in commodities, in which the interim value of the net obligation, calculated according to the sub-paragraph 59.16.3 of the Common part of the Clearing Rules, is recorded, equal to the sum of values (taking into account the sign) of Net Obligations / Net Claims of the Clearing Member in commodities under Trades with the central counterparty, recorded by the end of the day of termination of obligations Trades, separately under each Trade Account, into the structure of which client Settlement Account or Trust Settlement Account is included, and under all Trade Accounts, into the structure of which proprietary Settlement Account is included (except for Trade Accounts, into the structure of which Settlement Account, opened for the Segregated Client, is included), through all Settlement Dates.

59.16.6. The Clearing House adds (taking into account the sign) to the interim value of the net obligation of the Clearing Member in relevant securities (except for general collateral certificates) / precious metals / cash funds in foreign currency / commodities, calculated

under all Settlement Accounts / proprietary Asset Pool Settlement Accounts / all Trade Accounts T+, into the structure of which proprietary Asset Pool Settlement Account of the Clearing Member is included, amount (sum) of such securities / precious metals / cash funds in foreign currency / commodities, recorded by the end of the day of termination of obligations under Trades, recorded under proprietary Settlement Accounts / Asset Pool Settlement Accounts / proprietary Trade Accounts / Asset Pool Trade Accounts, but not more than the minimum value out of the following ones: (1) absolute value of the interim value of the net obligation in relevant securities (except for general collateral certificates) / precious metals / cash funds in the foreign currency / commodities, calculated according to the sub-paragraph 59.16.3 of the Common part of the Clearing Rules, and (2) absolute value of the interim value of the net obligation in relevant securities (except for general collateral certificates) / precious metals / cash funds in foreign currency / commodities, calculated according to the sub-paragraph 59.16.5 of the Common part of the Clearing Rules under all proprietary Settlement Accounts / proprietary Asset Pool Settlement Accounts / all Trade Accounts T+, into the structure of which proprietary Asset Pool Settlement Account of the Clearing Member is included. Meanwhile the amount (sum) of securities / precious metals / cash funds in the foreign currency / commodities and the absolute value of the interim value of the net obligation, calculated according to the sub-paragraph 59.16.3 of the Common part of the Clearing Rules, after each addition operation is lessened for the added value.

- 59.16.7. If as a result of addition, defined in the sub-paragraph 59.16.6 of the Common part of the Clearing Rules, the interim value of the net obligation of the Clearing Member in relevant securities (except for general collateral certificates) / precious metals / cash funds in the foreign currency / commodities, calculated according to the sub-paragraph 59.16.3 of the Common part of the Clearing Rules, remained negative:

The Clearing House adds (taking into account the sign) to the interim value of the net obligation of the Clearing Member in relevant securities (except for general collateral certificates) / precious metals / cash funds in foreign currency / commodities, calculated under the client Settlement Account or Trust Settlement Account / client Asset Pool Settlement Account or Trust Asset Pool Settlement Account amount (sum) of such securities / precious metals / cash funds in foreign currency / commodities, recorded by the end of the day of termination of obligations under Trades, recorded under the same Settlement Account / Asset Pool Settlement Account / Trade Account / Asset Pool Trade Account, but not more than the minimum value out of the following ones: (1) absolute value of the interim value of the net obligation in relevant securities (except for general collateral certificates) / precious metals / cash funds in the foreign currency / commodities, calculated according to the sub-paragraph 59.16.3 of the Common part of the Clearing Rules taking into account the added value according to the sub-paragraph 59.16.6 of the Common part of the Clearing Rules, and (2) absolute value of the interim value of the net obligation in relevant securities (except for general collateral certificates) / precious metals / cash funds in foreign currency / commodities, calculated according to the sub-paragraph 59.16.5 of the Common part of the Clearing Rules for the same Settlement Account / Asset Pool Settlement Account / Trade Account / Asset Pool Trade Account. 59.16.11. The Clearing House calculates the value equal to the value SUM_{SC} under each Settlement Account(s), which is calculated according to the formula below:

$$\begin{aligned}
 SUM_{SC} = & \sum_n (POS_RUB_n + RUB_DEPOSIT_n - RUB_REPO_DIF_n + \sum_j ((POS_VAL_n^j + \\
 & + VAL_DEPOSIT_n^j - VAL_REPO_DIF_n^j) \times C_VAL_n^j) + \sum_i POS_C_n^i \times CC_n^i \times C_VAL_n^i + \\
 & + \sum_l POS_T_n^l \times CT_n^l) + \sum_k POS_D_k \times (CD_k - SP_k) + \sum_m SC_m
 \end{aligned}$$

, where

$RUB_DEPOSIT_n$, $VAL_DEPOSIT_n^j$ values, calculated in accordance with the sub-paragraph 59.16.9 of the Common part of the Clearing Rules;

POS_RUB_n is the sum of the following values (taking into account the sign):

- Net Obligations / Net Claims of the Clearing Member in Russian rubles under Trades with the central counterparty (except for REPO trades in general collateral certificates), recorded by the end of the day of termination of obligations arising from Trades under the Settlement Account(s) and corresponding to it Asset Pool Settlement Account(s) under the n-Settlement Date;

POS_C_{ni} – is the sum of values (taking into account the sign), calculated in accordance with the sub-paragraph 59.16.8 of the Common part of the Clearing Rules, of the interim values of net obligations / net claims of the Clearing Member in i-security (except for general collateral certificates) under Trade Accounts T+ / Asset Pool Trade Accounts, which is formed by the Settlement Account(s) and corresponding to it Asset Pool Settlement Account(s), with the n-Settlement Date;

$POS_T_n^l$ – is the sum of values (taking into account the sign), calculated in accordance with the sub-paragraph 59.16.8 of the Common part of the Clearing Rules, of interim values of net obligations / net claims of the Clearing Member in l-commodity under Trade Accounts into the structure of which the Settlement Account(s) is included, with the n-Settlement Date;

POS_D_k – is the net position (taking into account the sign) of the Clearing Member under k-Derivative Contract, calculated as the sum (taking into account the sign) of positions under k-Derivative Contract, recorded by the end of the day of termination of obligations, arising from Trades, under all positions register sections of the Clearing Member, which have codes of Sub-accounts Clusters, connected with the Settlement Account(s);

$RUB_REPO_DIF_n$ is the difference between the sums of the first and of the second parts of balancing REPO trades in GCC, with the settlement in russian rubles with the n-Settlement Date, executed by the Clearing House in accordance with the sub-paragraph 59.16.10 of the Common part of the Clearing Rules;

$VAL_REPO_DIF_n^j$ is the difference between the first and the second part of REPOs in GCC, with the settlement in j-foreign currency with the n-Settlement Date, executed by the Clearing House in accordance with the sub-paragraph 59.16.10 of the Common part of the Clearing Rules;

CC_n^i is an average price of balancing trades in i-security with the n-Settlement Date, executed by the Clearing House in accordance with the sub-paragraph 59.16.10 of the Common part of the Clearing Rules;

$$CC_n^i = WAprice_{B/S} + \sum_{s,n>2} w_{s,n} \times (REPOprice_n - REPOprice_0) - \sum_{s,n=1,2} w_{s,n} \times (REPOprice(YD) - REPOprice(Y0))$$

, where

$WAprice_{B/S}$ is an average price of buy-sell trades in securities;

$REPOprice_n$ is an average price of second parts of REPO trades with the n-Settlement Date;

$REPOprice_0$ is an average price of first parts of REPO trades with the n-Settlement Date;

$w_{s,n}$ is the ratio showing share of REPO trade in proportion to total amount of obligations on the execution date, meanwhile:

in case if $n > 2$, the ratio is calculated on the basis of $POS_C_n^i$ on the n-Settlement Date;

in case if $n=1$ and $n=2$, the ratio is calculated on the basis of $POS_C_n^i$ on all Settlement Dates;

s is the number of the balancing trade with the n-Settlement Date;

In case of use of the information on securities when calculating the interim value of the net obligation of the Clearing Member in securities according to the sub-paragraphs 59.16.6 and/or 59.16.7 of the Common part of the Clearing Rules, such information is taken into account when calculating average price price of buy-sell trades in securities $WAprice_{B/S}$ according to the Settlement price of the relevant security, set by the Clearing House on the date of calculation of the interim value of the net obligation of the Clearing Member in securities in accordance with the sub-paragraphs 59.16.6 and/or 59.16.7 of the Common part of the Clearing Rules. If the interim value, calculated according to the sub-paragraph 59.16.3 of the Common part of the Clearing Rules through all Trade Accounts T+ / Asset Pool Trade Accounts of the Clearing Members through all Settlement Dates of the security is equal to 0 (zero) then average price $WAprice_{B/S}$ is considered to be equal to the Settlement price of the relevant security, set by the Clearing House on the date of termination of obligations of the Clearing Member.

C_VAL_{ni} is a trade exchange rate / average exchange rate for trades in foreign currency with the n-Settlement Date, executed by the Clearing House in accordance with the sub-paragraph 59.16.10 of the Common part of the Clearing Rules with the i-foreign currency. If the CCI is denominated in Russian rubles then $C_VAL_{ni}=1$;

$C_VAL_n^i$ is an average exchange rate of balancing trades in foreign currency / precious metal with the n-Settlement Date, executed by the Clearing House in accordance with the sub-paragraph 59.16.10 of the Common part of the Clearing Rules with the j-foreign currency / j-precious metal, calculated according to the following formula:

$$C_VAL_n^j = WAprice_{B/S} + \sum_{s,n>2} w_{s,n} \times (SWOPprice_n - SWOPprice_0) - \sum_{s,n=1,2} w_{s,n} \times (SWOPprice(YD) - SWOPprice(Y0))$$

, where

$WAprice_{B/S}$ is an average price of buy-sell trades in foreign currency / precious metals;

$SWOPprice_n$ is an average price of second parts of swap trades / swap contracts with the n-Settlement Date;

$SWOPprice_0$ is an average price of first parts of swap trades / swap contracts with the n-Settlement Date;

$w_{s,n}$ is the ratio showing share of the swap trade / swap contract in proportion to total amount of obligations on the execution date, meanwhile:

in case if $n > 2$, the ratio is calculated on the basis of $POS_VAL_n^j$ on the n-Settlement Date;

in case if $n=1$ and $n=2$, the ratio is calculated on the basis of $POS_VAL_n^j$ on all Settlement Dates;

s is the number of the balancing trade with the n-Settlement Date;

In case of use of the information on the foreign currency / precious metal when calculating the interim value of the net obligation of the Clearing Member in foreign currency / precious metal according to the sub-paragraphs 59.16.6 and/or 59.16.7 of the Common part of the Clearing Rules, such information is taken into account when calculating average price price of buy-sell trades in foreign currency / precious metal $WAprice_{B/S}$ according to the Central exchange rate of the relevant foreign currency / precious metal, set by the Clearing House on the date of calculation of the interim value of the net obligation of the Clearing Member in foreign currency / precious metal in accordance with the sub-paragraphs 59.16.6 and/or 59.16.7 of the Common part of the Clearing Rules. If the interim value, calculated according to the sub-paragraph 59.16.3 of the Common part of the Clearing Rules through all Settlement Accounts of the Clearing Members though all Settlement Dates of the foreign currency / precious metal is equal to 0 (zero) then average price $WAprice_{B/S}$ is considered to be equal to the Central exchange rate of the relevant foreign currency / precious metal, set by the Clearing House on the date of termination of obligations of the Clearing Member.

CD_k is a trade price / an average price of balancing trades, executed by the Clearing House in accordance with the sub-paragraph 59.16.10 of the Common part of the Clearing Rules under k-Derivative Contract. If the interim value, calculated according to the sub-paragraph 59.16.3 of the Common part of the Clearing Rules through all Settlement Accounts of the Clearing Members though all Settlement Dates under k-Derivative Contract is equal to 0 (zero) then average price of balancing trades is considered to be equal to the Settlement price of k-Derivative Contract, set by the Clearing House during night clearing session on the day preceding to the date of trades execution according to the sub-paragraph 59.16.10 of the Common part of the Clearing Rules;

SP_k is the Settlement Price of k-Derivative Contract, defined by the Clearing House during the evening clearing session on the day, preceding to the date of the trades execution in accordance with the sub-paragraph 59.16.10 of the Common part of the Clearing Rules;

 - 10) the size of an obligation of the Clearing House to return to a Clearing Member its Collateral in precious metals, lessened for the amount of precious metals. Used when calculating the interim value of the net obligation / net claim of the Clearing Member in precious metals in accordance with the sub-paragraph 59.16.8 of the Common part

of the Clearing Rules and converted into Russian rubles according to the exchange rate / average weighted exchange rate for trades in precious metals, executed by the Clearing House in accordance with the sub-paragraph 59.16.10 of the Common part of the Clearing Rules (calculated with “plus”);

- 11) the value, which is equal to the minimum value out of these two: (1) the size of an obligation of the Clearing House to return to a Clearing Member its Collateral in commodities, lessened for the amount of commodities, used when calculating the interim value of the net obligation / net claim of the Clearing Member in commodities in accordance with the sub-paragraph 59.16.8 of the Common part of the Clearing Rules and converted into Russian rubles according to the Price / average weighted exchange rate for trades in commodities in accordance with the sub-paragraph 59.16.10 of the Common part of the Clearing Rules (calculated with “plus”), or (2) the absolute negative value SUM_{SC} , calculated in accordance with the previous paragraphs of the sub-paragraph 59.16.12 of the Common part of the Clearing Rules.

If as the result of consistent execution of any of actions stipulated by the paragraphs 1 – 11 of the sub-paragraph 59.16.12 of the Common part of the Clearing Rules the received value SUM_{SC} is non-negative then the calculation of the relevant net obligation / net claim of a Clearing Member is continued in accordance with the sub-paragraph 59.16.12 of the Common part of the Clearing Rules.

- 59.16.13. If the value SUM_{SC} calculated in accordance with the sub-paragraph 59.16.11 or 59.16.12 of the Common part of the Clearing Rules under the Settlement Account(s) is equal to zero then it means that a Clearing Member does not have any net obligation / net claims under such Settlement Account(s), meanwhile the calculation of the net obligation / net claim of the Clearing Member under such Settlement Accounts is terminated.

If the value SUM_{SC} calculated in accordance with the sub-paragraph 59.16.12 of the Common part of the Clearing Rules under proprietary Settlement Accounts is negative then it means that a Clearing Member has a net obligation in respect of the Clearing House under proprietary Settlement Accounts, which is equal to the absolute value SUM_{SC} , meanwhile the calculation of the net obligation of a Clearing Member under proprietary Settlement Accounts is terminated.

If the value SUM_{SC} calculated in accordance with the sub-paragraph 59.16.11 or 59.16.12 of the Common part of the Clearing Rules under the Settlement Account, except for the proprietary Settlement Accounts, is positive then it means that a Clearing Member has a net claim under such Settlement Account, which is equal to the SUM_{SC} meanwhile the calculation of the net claim of a Clearing Member under such Settlement Account is terminated.

If there are negative values SUM_{SC1} , calculated in accordance with the sub-paragraph 59.16.12 of the Common part of the Clearing Rules under the client Settlement Account) and Trust Settlement Accounts, and positive value SUM_{SC2} , calculated in accordance with the sub-paragraph 59.16.12 of the Common part of the Clearing Rules under proprietary Settlement Accounts, calculation of net obligations / net claims of the Clearing Member under each such Settlement Account(s) is continued as follows:

$$SUM_{SC1i} = SUM_{SC1i} + \min \left(\left(\frac{\sum SUM_{SC2j}}{\sum SUM_{SC1i}} \right) \times SUM_{SC1i}; \text{abc}(SUM_{SC1i}) \right),$$

$$SUM_{SC2j} = SUM_{SC2j} - \min \left(\left(\frac{\sum SUM_{SC2j}}{\sum SUM_{SC1i}} \right) \times SUM_{SC1i}; \text{abc}(SUM_{SC1i}) \right), \text{ where}$$

SUM_{SC1i} is the negative value SUM_{SC} , calculated in accordance with the sub-paragraph 59.16.12 of the Common part of the Clearing Rules under the client Settlement Account or the Trust Settlement Account;

SUM_{SC2j} is the positive value SUM_{SC} , calculated in accordance with the sub-paragraph 59.16.11 and/or 59.16.12 of the Common part of the Clearing Rules under the proprietary Settlement Account.

If as the result of the abovementioned calculation the value SUM_{SC1i} is equal to 0 then it means that the Clearing Member does not have the net obligation / net claim under such Settlement Account,

in case if SUM_{SC1i} is less than 0, calculation of net obligations / net claims of the Clearing Member under such Settlement Accounts is continued in accordance with the sub-paragraph 59.16.12 of the Common part of the Clearing Rules, using Collateral, recorded under proprietary Settlement Accounts and corresponding to them Trade Accounts, Collateral for Stress and Default Funds contributions, not used when calculating net obligations / net claims under Settlement Accounts. If SUM_{SCi} remains negative it means that the Clearing Member has the net obligation under such Settlement Account, which is equal to the absolute value SUM_{SCi} .

Under proprietary Settlement Accounts, which are used in calculation according to this sub-paragraph, the value of net obligations of the Clearing Member is equal to the positive value SUM_{own} resulted from the abovementioned calculation or if the value SUM_{own} is equal to zero then there is no net obligation / net claim of the Clearing Member under proprietary Settlement Accounts.

59.16.14. Each of obligations, listed in the sub-paragraph 59.16.12 of the Common part of the Clearing Rules, included into the calculation of the net obligation / net claim of a Clearing Member, in the corresponding part is terminated.

Meanwhile:

- the obligation of the Clearing House to return Collateral, Collateral for Stress, Default Funds contributions in Russian rubles is terminated in the part, which is equal to the sum of cash funds in Russian rubles, used when calculating net obligations / net claims of the Clearing Member in accordance with the sub-paragraph 59.16.12 of the Common part of the Clearing Rules;
- the obligation of the Clearing House to return Collateral, Collateral for Stress, Default Funds contributions in the foreign currency is terminated in the part, which is equal to the sum of the foreign currency, used when calculating the interim value of the net obligation / net claim of the Clearing Member in cash funds in the foreign currency in accordance with the sub-paragraph 59.16.8 of the Common part of the Clearing Rules, and to the sum of the foreign currency in Collateral, Collateral for Stress or Default Funds contributions sell trades in the foreign currency, executed by the Clearing House in accordance with the sub-paragraph 59.16.10 of the Common part of the Clearing Rules;
- the obligation of the Clearing House to return Collateral for Stress or Default Funds contributions in securities is terminated in the part, which is equal to the number of securities in Collateral for Stress or Default Funds contributions sell trades, executed by the Clearing House in accordance with the sub-paragraph 59.16.10 of the Common part of the Clearing Rules;
- Collateral in securities is used in the amount, which is equal to the number of securities, used when calculating the interim value of the net obligation / net claim of the Clearing Member in securities in accordance with the sub-paragraph 59.16.8 of the Common part of the Clearing Rules, and to the

number of securities in trades aimed at sell of Collateral in securities, executed by the Clearing House in accordance with the sub-paragraph 59.16.10 of the Common part of the Clearing Rules.

In order to use Collateral in securities the Clearing House forms and transfers to the Settlement Depository an instruction to transfer securities from the Securities Sub-account to the depo sub-account of the Clearing House under the depo clearing account in the defined amount, starting from the date of suspension of an admission of the Clearing Member to the clearing service, according to the grounds defined in paragraphs 59.1-59.12 of the Common part of the Clearing Rules.

- the obligation of the Clearing House to return Collateral in precious metal is terminated in the part, which is equal to the amount of precious metals, used when calculating the interim value of the net obligation / net claim of the Clearing Member in precious metals in accordance with the sub-paragraph 59.16.8 of the Common part of the Clearing Rules, and to the amount of precious metals in trades aimed at sell of Collateral in precious metals, executed by the Clearing House in accordance with the sub-paragraph 59.16.10 of the Common part of the Clearing Rules;
- Collateral in commodities is used in the amount, which is equal to the amount of commodities, used when calculating the interim value of the net obligation / net claim of the Clearing Member in commodities in accordance with the sub-paragraph 59.16.8 of the Common part of the Clearing Rules, and to the amount of commodities in trades aimed at sell of Collateral in commodities, executed by the Clearing House in accordance with the sub-paragraph 59.16.10 of the Common part of the Clearing Rules.

In order to use Collateral in commodities the Clearing House forms and transfers to the Commodity Delivery Facility the instruction to transfer commodities from the trading section of the Clearing Member to the trading section of the Clearing House in the defined amount, starting from the date of suspension of an admission of the Clearing Member to the clearing service, according to the grounds defined in paragraphs 59.1-59.12 of the Common part of the Clearing Rules.

59.16.15. In case of non-provision to the Clearing House by the Segregated Client of the Application for obligations and Collateral transfer or by the Clearing Member-Recipient of the Agreement for acceptance of obligations and Collateral within the terms defined in the Time Specification, Clearing House calculates the sum of the net obligation / net claim of the Clearing Member in Russian rubles under Trades with the central counterparty, executed at the expense of the Segregated Client of the Clearing member with the indication of Trade Accounts / other clearing registers, corresponding to Settlement Accounts, opened for the Segregated Client, in the order similar to the one, defined in the paragraph 59.12 of the Common part of the Clearing Rules.

59.17. The Clearing House calculates the sum of the net obligation / net claim of a Clearing member in Russian rubles in respect of other Clearing Members – its counterparties to Trades without the central counterparty in the order stipulated by the sub-paragraphs 59.17.1 – 59.17.3 of the Common part of the Clearing Rules, separately under each client Settlement Account, each Trust Settlement Account and proprietary Settlement Accounts of the Clearing Member:

59.17.1. The Clearing House calculates the value, which is equal to the sum taking into account the sign:

$SUM = POS_RUB + \sum_i (POS_C_i \times CC_i) + \sum_i (POS_R_i \times CC_i) + \sum_j (POS_VAL_j \times C_VAL_j)$,
where

$POS_RUB = ST - SO$,

$POS_VAL_j = ST_j - SO_j$,

$POS_C_i = STC_i - SOC_i$,

$POS_R_i = STR_i - SOR_i$,

POS_RUB is an obligation (claim) of a Clearing Member in cash funds in Russian rubles;

POS_VAL_j is an obligation (claim) of a Clearing Member in cash funds in j-foreign currency;

POS_C_i is an obligation (claim) of a Clearing Member in i-security under buy-sell trades in securities;

- repayment of the credit under the credit agreement with the settlement code Rb, Sn;
- repayment of cash funds under the M-Deposit agreement with settlement code Sn;
- income transfer under Trades without the central counterparty which are defined by the Clearing Rules on the Securities Market, Deposit Market and Credit Market.

Meanwhile the sum of obligations and claims under the second parts of REPO trades is calculated using the actual duration period of the REPO, which past from the date till the day of termination of obligations, excluding this day.

Meanwhile the sum of obligations and claims to return the credit under the credit agreement is calculated based on the actual credit agreement term, since the actual date, when the obligation to grant a credit has been fulfilled, not including this date, till the date of termination of obligations, including this date.

In case if the Settlement Date for obligations under the second part of the REPO trade coincides with the date, preceding to the date for termination of obligations under trades, the sum of obligations and claims under second part of REPO trades is calculated on the basis of the actual term of the REPO trade, which has elapsed since the actual date for the termination of obligations under the first part of the REPO trade, including this date, till the Date for the fulfillment of obligations under the second part of the REPO, not including this date.

In case if obligations under the first part of the REPO are not fulfilled on the day of termination of obligations under Trades in accordance with this Article of the Common part of the Clearing Rules, in order to calculate the net obligation / net claim of a Clearing Member in respect of Clearing Members its counterparties the duration period of the REPO is considered to be equal to zero.

In case if obligations to grant a credit are not fulfilled on the date of termination of obligations under Trades according to this article, obligations under credit agreement are

terminated and are not taken into account when calculating net obligations / net claims of the Clearing Member.

The sum of obligations and claims under second part of the REPO trades is calculated taking into account reduction for the value of the paid coupon profit and/or for the value of the paid part of the main debt (depreciation payments) in accordance with the REPO trades terms.

STC_i is the sum of claims, a SOC_i – the sum of obligations of a Clearing Member under i-security recorded by the day of termination of obligations under Trades, under:

The abovementioned obligations are terminated through the emergence of net obligations / net claims of the Clearing House, calculated in accordance with the paragraph 62.4 of the Common part of the Clearing Rules.

The Clearing Member is entitled to make a claim in respect of the Clearing House to recover forfeits (penalties, fines), which are to be paid in accordance with the Clearing Rules, in the general order, stipulated by the bankruptcy legislation.

- 62.3. In case of revocation (annulment) of the banking license of the Clearing House, and also in case of appointment of the interim administration to manage the Clearing House within the measures to prevent bankruptcy of the credit institution and introduction of the moratorium on the fulfillment of claims of the Clearing House, a Clearing Member, which is a Pool Member, is entitled to submit to the Clearing House an application for extradition of assets from an asset pool on the date of revocation (annulment) of the banking license of the Clearing House / on the date of introduction of the moratorium on fulfillment of the Clearing House creditors' claims.

This particular application contains the indication of an Asset Pool Trade Account, a code and a sum / amount of cash funds / precious metals / securities and is executed under the condition of redemption of general collateral certificates when extraditing of the defined assets from an asset pool, defined in the Clearing Rules on the Securities Market, Deposit Market and Credit Market.

To execute the defined application the Clearing House forms and executes transfer of cash funds from Collateral Accounts, opened for the Asset Pool Settlement Accounts, which are included into the structure of Asset Pool Trade Accounts, to Collateral Accounts, connected with the Settlement Accounts, which are included into the structure of Trade Accounts T+, also forms and forwards to the Settlement Depository of the instruction to transfer securities from asset pool depo sub-accounts, which are included into the structure of an Asset Pool Trade Account, to Securities Sub-accounts T+, which are included into the structure of the relevant Trade Accounts T+.

General collateral certificates, recorded under the Securities Sub-accounts, which are included into the structure of the Trade Account T+, are redeemed in the amount, calculated in accordance with the Clearing Rules on the Securities Market, Deposit Market and Credit Market.

62.4. The Clearing House calculates the sum of net obligations / net claims of the Clearing House in Russian rubles in respect of a Clearing Member separately:

- under Trades, executed at the expense of a Clearing Member – under all Proprietary Settlement Accounts and Asset Pool Settlement Accounts;
- under Trades, executed at the expense of a client of a Clearing Member, except for the Segregated Clients and trades, executed at the expense of funds of an Authorized Accounts Owner – under all client Settlement Accounts and Asset Pool Settlement Accounts, except for Settlement Accounts registered in the name of Segregated Clients, and Settlement Accounts, with which Segregated Sub-accounts Clusters are connected;
- under Trades, executed at the expense of each Segregated Client of a Clearing Member – under all Settlement Accounts and Asset Pool Settlement Accounts, registered in the name of Segregated Clients;
- under Trades, executed at the expense of funds of each Authorized Accounts Owner – under Settlement Account, with which Segregated Sub-accounts Cluster is connected;
- under Trades, executed at the expense of funds in trust management of a Clearing Member except for the Segregated Clients and trades, executed at the expense of Authorized Accounts Owners – under each Trust Settlement Account and Asset Pool Settlement Account.

62.4.1. The Clearing House for each asset pool and all relevant Settlement Accounts and Asset Pool Settlement Accounts:

- 1) calculates the intermediate value of the net obligation / net claim of a Clearing Member in general collateral certificates taking into account the sign:
 - Net obligations / Net claims of a Clearing Member in general collateral certificates under REPO trades with the central counterparty in general collateral certificates, recorded under the Trade Accounts T+, into the structure of which relevant Settlement Accounts are included under all Settlement Dates;
 - claims of a Clearing Member towards the Clearing House to receive general collateral certificates in the amount, equal to the received by the Clearing House from the Bank of Russia when redeeming general collateral certificates from the Bank of Russia in accordance with the Clearing Rules on the Securities Market, Deposit Market and Credit Market, recorded by the end of the day termination of obligations arising from Trades under Trade Accounts T+, into the structure of which relevant Settlement Accounts are included, under all Settlement Dates.

If the value calculated in accordance with this paragraph is positive then a Clearing Member has the intermediate value of the net claim in general collateral certificates recorded, and if it is negative then the intermediate value of the net obligation in general collateral certificates.

The Clearing House adds (taking into account the sign) to the intermediate value of the net claim of a Clearing Member in general collateral certificates the amount of

general collateral certificates, recorded by the end of the day for the termination of fulfillment arising from Trades under Trade Accounts T+, into the structure of which relevant Settlement Accounts are included, but not more than the absolute value of the defined intermediate value of the net obligation of a Clearing Member in general collateral certificates;

- 2) calculates the intermediate value of the net obligation / net claim of a Clearing Member in Russian rubles under REPO trades in general collateral certificates equal to the sum of (taking into account):
 - Net obligations / net claims of a Clearing Member in cash funds under REPO trades with the central counterparty in general collateral certificates, recorded by the end of the day for termination of obligations arising from Trades under the relevant Settlement Accounts under all Settlement Dates. With regard to the abovementioned, the value calculated under REPO trades with settlements in foreign currency is converted into Russian rubles according to the exchange rate set by the Bank of Russia by the day of revocation of the banking license of the Clearing House / day of introduction in respect of the Clearing House the moratorium on fulfillment of creditors' claims;
